

Teacher Meeting Outline

Goals:

1. **Get teachers excited about using the dictionary and support materials**
2. **Inform teachers about the resources for them on the website**

- I. **Explain** why you are there: Your club is giving each of their students a dictionary that they can use in class, then they must take it home at the end of the school year.
- II. **Show the author's video** and hand out the books one at a time when directed in the video.
- III. **Give** out the **Teacher Information Sheet** and tell them to look at the **back** page. (Explain that the information on the front was covered in the video).
 - A. Picture #1 - point out the links : free activities that go along with pages in the dictionary, information about creating vocabulary word walls, continuums and research-based practices for building vocabulary.
 - B. Picture #2 shows the type of activities. Explaining that the word search has an extra piece to it, that is challenging. (You might want to check it out before you go.)
 - C. Picture #3 - there is a training video about using the Teaching Guide.
 - D. Picture #4 - a downloadable copy of 100 Days of Bellwork
- IV. **Tell** them the date and procedure for Dictionary Distribution to the students (as per their principal).
